

A Deeper Dive: Applying the Power of TED* & 3 Vital Questions to Work and Life

TED* (*The Empowerment Dynamic)® and 3 Vital Questions® have had a positive impact for hundreds of leaders and teams. Many organizations have been asking for a more in-depth training experience. This 2-day “Deeper Dive” is that opportunity!

TED* and 3VQ provide practical tools and frameworks that result in more resourceful and effective ways of thinking, relating and taking action.

WHAT DOES THE DEEPER DIVE PROVIDE?

Based on David Emerald’s books, *The Power of TED** and *3 Vital Questions*, this workshop will:

- Put you on the path to more effective, resourceful and resilient relationships and help you show up at work with less stress and more ease;
- Increase your self-awareness and how to relate more effectively with colleagues when drama patterns are on full display;
- Liberate you from your reactive habits and strategies; and
- Expand your ability to transform drama by making inspired and creative decisions, even in the face of drama, change and uncertainty, to create results that matter.
